## LOCAL.

W. C. Hill visited Jasper Friday morning.

A slight flurry of snow on Sunday afternoon.

H. E. Tate of Jasper, was in town Thursday evening.

W. C. Hill put in a whole day at Whitwell, Saturday.

Clover seed, timothy and red top at Havron Bros., Jasper.

Now is the season for sowing oats; lots are going into the ground.

Miss Sarah Ables of Whitwell visited Mrs. John Spears Saturday.

Henry Kent has been confined to his house by la grippe two or three days.

Gabel and Brown have been running their saw mill this week—getting logs from Rev. Jacob Houts.

An impromptu party of young people was held at the residence of Mr. J. B. Eldridge, Saturday evening.

A rotting underpinning of the Hotel Marion required the services of Dr. Mills who has put in a stone wall on the south side this week.

Several from this place visited Jasper Friday evening to witness the entertainment given by the young ladies dramatic club of that place.

There were no services at Owen Church Sunday. We are informed that on Sunday next Rev. J. A. Darr, of Jasper, will conduct services at 11 a. m.

We are indebted to Mr. T. M. Eakin of the Republican Executive Committee for the result of the primary election in the County last Friday.

Our farmers will find a very large stock of agricultural implements and hardware goods at Havron Bros., Jasper. They are giving bottom prices.

The dark moon in February is the acknowledged time to plant potatoes and many have been put in. One drawback to potato planting this year is the high cost of seed.

Great Cures proved by thousands of testimonials show that Hood's Sarsaparilla possesses power to purify, vitalize and enrich the blood.

Hood's Pills are the only pills to be taken with Hood's Sarsaparilla.

Havron Bros., of Jasper, received a new lot of saddles, buggy harness and leather collars this week. They buy direct from the factory, and are not undersold anywhere on these goods.

We learn that Havron Bros. at Jasper, have ordered a car load of McCormick binders and mowers. This has proven to be the most durable and popular machine of the kind put on the market.

Havron Bros., at Jasper, have placed orders for two of the most popular corn drills placed on the market. They are mighty well fixed in this implement, and the farmers in the County need look no further for a good corn drill. Write or see them.

We had the pleasure of seeing a large picture which Mr. P. A. Butler is painting for Chicago parties, on Saturday. It is a view in Venice, and the quaint architecture and accessories make it very effective. Mr. Butler paints on steadily.

No, Maude, the bottom did not fall out of Sequachee last week when Davidson's mule disappeared. It was just this. James Camp was revolving some weighty matters in his mind and the combined weight of mule and rider caused the break. Camp has got married since.

On Friday we were delighted to receive from our friend twelve pieces of new music and in our hearts we bless him. Here far from the "madding crowd" to get new music seems like a gleam of sunshine and in our hard struggle for bread gives us encouragement and inspiration.

We are informed that our friend Austin Copplinger had arranged to have some of the sinews of war in spirits frumental to recuperate on after his pilgrimage to Victoria to vote on Friday, and had expected to receive two packages of the ardent but they were either misarranged or lost in transit. Consequently a deficiency was reported on Saturday morning and this feeling may be better imagined than described.

### Found His Money.

Sometime since Mr. Wylie Parker had the misfortune to drop a twenty dollar bill, which was to him a great loss, and the chance of recovering it seemed hopeless. Now we are glad to learn that by the efforts of Mr. J. T. Foster, it has been found and returned and Mr. Parker desires to return his thanks to all those helped to recover his property.

### For Sheriff.

We announce R. J. Brown, of this place is a candidate for sheriff for this County. Everybody knows Jeff Brown as a bright, hustling man—a man of first rate character and habits, and one who can travel faster and get over more ground in less time than any man in the county. Everybody knows him and from our knowledge of him, we believe he would do the County good service.

### Democratic Convention.

To the Democrats of Marion County: You are hereby requested to meet in the Court House in Jasper, March 12, 1898, at 11 o'clock a. m., for the purpose of selecting delegates to the gubernatorial, Congressional, Senatorial and Judicial Conventions that are to be held this year.

ALEX. PRYOR, Chairman,  
B. E. TATUM, Secretary.

Mr. Ward L. Smith, of Fredricktown, Mo., was troubled with chronic diarrhoea for over thirty years. He had become fully satisfied that it was only a question of a short time until he would have to give up. He had been treated by some of the best physicians in Europe and America but got no permanent relief. One day he picked up a newspaper and chanced to read an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy. He got a bottle of it, the first dose helped him and its continued use cured him. For sale by Brown & Graham.
